

Dear Parent/Carer

Thank you for your choosing to enrol your child at Byford Secondary College.

Our motto 'Aspire to Excellence' articulates our vision. We are a school of choice for our local community, and we are dedicated to working together to provide effective learning experiences where we all grow, and students are prepared for a successful life beyond school. Our program ultimately leads to achievement of a Western Australian Certificate of Education (WACE) on completion of Year 12, and develops your child's academic, social, and emotional skills so that they prosper in the future.

Our College is a contemporary facility offering those who attend the latest in educational design and infrastructure to maximise student learning and engagement. We believe that every young person has unique experiences, learning styles and goals which we accommodate to support individual success. We provide a broad range of opportunities with pathways leading to attainment of an Australian Tertiary Admission Rank (ATAR), Vocational Education and Training (VET) qualifications and/or future employment. Each student's pathway is tailored to the individual's post-school aspirations.

These programs are delivered in new modern design and technology workshops, science laboratories, integrated education support facilities and other state-of-the-art purpose built learning areas across the campus.

The Western Australian Department of Education has gazetted a Local Intake Area (LIA) for our College. This LIA sets out where families must reside in order for a child to always be accepted at our College. Should you wish to view our designated LIA, you can access this information at <http://www.det.wa.edu.au/schoolsonline/home.do>.

Enrolment into the College is a two-step process. Firstly you need to complete the *Application to Enrol Form (Part A)* which has been included with this letter. This form can also be collected from our College or accessed on our College website at www.byfordsc.wa.edu.au. Secondly if an enrolment application is accepted, you will be provided with *Enrolment Form (Part B)*. Both steps must be completed with all requested supporting documents submitted in order to finalise your child's enrolment at our College. Part A should be completed by the end of Term 2 and Part B by the end of Term 3 to ensure smooth transition into our College for the start of 2025.

Byford Secondary College often communicates with our families through a range of digital means. It is therefore important that you have a current email address which we will ask for during the enrolment process. I encourage you to access our website at www.byfordsc.wa.edu.au for further information.
